

LA9000

LIQUID APPLICATOR

Schaben Industries is proud to introduce it's new LA9000 Liquid Applicator. Known in the past for having one of the best lines of sprayers, this new line helps to expand Schaben Industries application equipment. Designed with today's production needs in mind. Large 1000, 1250 or 1500 tanks to choose from. Toolbars ranging in size from 27' to 40'.
